

BowTie Clamp™

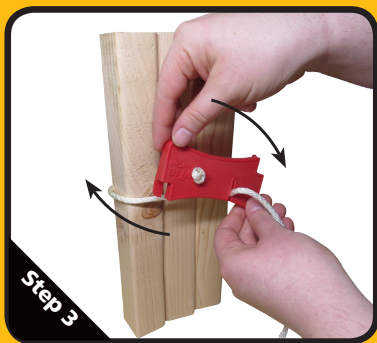

The BowTie Clamp is the quickest and easiest way to secure any irregularly shaped object for assembly or storage.

STEP 1:
Wrap rope around
odd shaped object.

STEP 2:
Bring rope around
and lock in slot.

STEP 3:
Twist BowTie
Clamp in a
clockwise motion
to reach desired
tightness.

STEP 4:
Use the hook on
the BowTie to
lock and hold
BowTie Clamp in
place.
